Officers Stop for Coffee at Bristol ADEC

A hot topic around Bristol Indiana these chilly winter days is getting a cup of coffee! The recent opening of Bristol's ADEC Gaining Grounds offers a variety of coffee, lattes, fruit smoothies and much more. Recently, Bristol's Marshal Mike Albin and Sgt. Adam Dernay dropped by to have coffee and other treats with Town Mgr. Mitch Mitchell and Jessica Koscher, ADEC Chief Development Manager at the Bristol location. Scott Fowler was today's Barista. Ms. Koscher gave the group a quick tour of the building including conference center meeting rooms which will be available for rent by community groups in the near future, as well as welcoming inside and outside patio gathering places.

Art by ADEC is another area of the building that offers many kinds of artwork, jewelry, and other items made by ADEC clients that are offered for sale here. One of a kind artist-created items make wonderful gifts for friends and family as well as adding unique decor to one's home or office. Art proceeds are split 50% for the artist and ADEC's Art Program Stop in soon for a treat, and you'll be back often!

Just the Facts:
Bristol ADEC
Gaining Grounds
Address: 19670 IN-120,
