Community Lunar Lunch on May 4, 2018

Bristol Parks and Bristol on the River sponsored the "Meet your Bristol Neighbors" LUNAR LUNCH at Cummins Park behind the Historical Museum at 7pm on Friday night, May 4, 2018 from 7-9 pm. A crowd of over 80 adults and children came out to enjoy the free hotdogs, chips and treats and listen to the Bristol history storytellers. Nearly everyone from 4 to 80 played the trivia game hunting and finding the 7 Painted rocks that contained the answers, and all came forward to collect their painted Bristol slogan rock prize. Also featured was John Nymeyer's Folk Band The Promissory Notes which played music to end the evening's entertainment. Folks sang along and even danced. It was a fun-filled evening for all, and plans are underway to hold more community park events for the summer and fall of this year.
