New Town Mgr: Michael Mitchell "Mitch"

Bristol Town Manager Bill Wuthrich retired at the end of 2017, and the Town Council sought a new manager. After reviewing resumes and conducting interviews, the Council held a special Town Hall meeting on Monday April 23, 2018, and officially voted to hire Michael Mitchell, effective May 1, 2018. "Call me Mitch," said the new manager as he introduced himself to those who attended the meeting. Originally from Niles, Michigan, he now resides in Hillsdale, Michigan with wife Susan and daughters Lauren and Rachel who are in college. His parents live in Niles, and he may commute from there on weekdays until plans to relocate to the area are complete. He currently sings in a church choir, has coached soccer for a number of years, and is an admitted "Foodie." He has 18 years of municipal management in Michigan, from towns of 850 to towns of over 8,000, and one town that had a summer population of over 50,000. He feels blessed to be here, "I won't spend all my time in the office," he says. "I'll get my work done, but I'll be out in the community meeting people and business owners."

Among his first duties will be to help see that the two major projects, the alternate traffic route and the new Community Complex to the Town Hall will go smoothly and be completed on time and on budget. He will attend the free Bristol "Lunar Lunch" on Fri. May 4, 2018 at Cummins Park at 7pm where he will meet and greet Bristol citizens.
