The Bristol Indiana Parks offer a variety of activities with 4 parks in the downtown area. Memorial Park is in the heart of downtown Bristol on the the corner of SR 120 and SR 15, and has benches, a swing and drinking fountain, as well as the electronic Town sign listing upcoming events. Hermance Park is located at the north end of Apollo Street next to the public river access with a boat launch. There is a closed Pavilion building, which can be rented and also playground equipment. Congdon Park, also located on the river, across Bristol's main street bridge, has a wooden gazebo that can be rented, park benches, swings, picnic tables, and playground equipment. The annual July Homecoming event is held in this park. Cummins Park located behind the Elkhart County Historical Museum in downtown Bristol has a Splash Pad, exercise equipment, 2 lighted tennis courts, 2 basketball courts, and a shelter that can be rented for picnics. Additional playground equipment is located here. At the east edge of Cummins Park is a white picket fence which encloses the remaining graves from early Bristol pioneer Cathcart and Nicholson families. For more information about renting a pavilion, contact the Town Clerk's office at 574-848-7007 during regular business hours.
